

LIZEMORE ELEMENTARY

Dear Lizemore Elementary Family,

Please allow me to welcome you to the start of the 2023-2024 school year! The administration, faculty, and staff are looking forward to an outstanding school year and we know it will be the best one yet! We are ready for the important task of preparing all students to be successful. We ask that you join us in this amazing endeavor of ensuring our students are college and career ready for the challenges to come.

The year will be filled with numerous learning opportunities for our students, as well as the parents. Join forces with us and support student achievement in every way possible. It is our goal to provide excellent services to the community in which we serve and to meet the needs of all students. We promote collaboration and continue to seek ways to improve our services to you.

Your feedback is important to us in achieving our goals. Therefore, we welcome your suggestions for school improvement and encourage you to stop by, join in, and share your ideas with us at any time. We look forward to an exciting new year of continued collaboration where our motto is - "Learning Equals Success".
